Experienced Personal Injury Lawyer serving Palm Beach Gardens

Regardless if you have sustained an injury from a car accident, an accident that occurred in a public place such as a grocery store, or a work-related accident, the injury itself is not only painful but it's also an inconvenience.

Even if you have sustained a minor injury, you probably sought medical attention to some degree. However, if your injury was severe, then you might have had a number of procedures, prescriptions, or even spent a night in the emergency room. Regardless of the situation, if your injury was caused by the negligent or wrongful actions of another, then you may be entitled to compensation under Florida state law.

For more information on your rights and how you might be able to seek a settlement for your pain and suffering, consider discussing your situation and case with an experienced **personal injury attorney in Palm Beach Gardens, Florida**.

The [personal injury lawyers Palm Beach Gardens at Fetterman & Associates](#) are here to help. To learn more about receiving a settlement for your pain and suffering and injuries, contact our legal team today at 561-845-2510.

Personal Injury in Palm Beach Gardens, Florida

So how do you know if you have a personal injury case? Your first step should be to contact a *personal injury attorney Palm Beach Gardens*, Florida. An experienced legal team in the various areas of personal injury can discuss your situation, your accident, and then determine your legal options and if you have a viable case worth pursuing.

Regardless of your case, you need a skilled lawyer to manage your case every step of the way. Our attorneys can help with any [type of personal injury](#), including:

Injuries received during a motor vehicle accident

Injuries received while on the premises of another, including injuries due to slip and fall and injuries due to negligent security

- [Wrongful death](#)
- Burn injuries
- [Spinal cord injuries](#)
- [Brain injuries](#)

- Injuries resulting in [long term care](#) needs
- [Survival actions](#)

What Do Damages Include?

After a personal injury attorney looks at your case and discusses your legal options, one of the areas that he or she will look at is the damage. The amount of and types of damages calculated in a personal injury case can include:

- **Special Damages** – These are damages that can often be itemized, such as medical expenses, lost wages, related property damage, and so on.
- **General Damages** – These damages include pain and suffering, loss of consortium, emotional distress, and so on.

The amount of compensation you may receive will depend on the severity of your injuries and financial losses.
